If you come from the A 20 (East-West):

Leave the A 20 at the exit "Rostock Südstadt" and stay on the road until the end (about 4 km). Turn right onto the "Südring". Soon you will pass a railway bridge. After approximately 1 km, you see the KTC on your right hand side. Look for signs of the underground car park.

If you come from the A 19 (North-South):

Leave the A 19 at the exit "Rostock Süd" and stay on the road until a big crossroad with a big building called "Deutsche Med". Turn right onto "Am Vögenteich". 200 metres after the next stoplights, you see the KTC on your right hand side. Look for signs of the underground car park.
