arivis - multiple Image Tools GmbH • Schlegelstr. 9  
10115 Berlin-Mitte • Telefon +49 30 257 60 700

Close to the Museum für Naturkunde and to the Charite Universitätsmedizin, the Oranienburger Strasse and the Hackescher Markt our office is suited in the heart of Berlin.

The Schlegelstraße is a back street in a residential zone and part of the Berlin Umweltzone. Unfortunately, there are only a few parking lots available (fee charged). There are no garages in the nearby area.

Being in Berlin we recommend to use the local train system, the underground or taxi.

The shortest way to reach our office is to take the S-Bahn (S1, S2, S25) to Nordbahnhof or the U-Bahn (U6) to Zinnowitzer Straße. Only a few meters away from there is our office
